

NOTICE AND INVITATION TO SUBMIT A PRE-QUALIFICATION DOCUMENT

Lebalelo Water Users Association (LWUA) invites prospective applicants to submit pre-qualification documents for the construction of approximately 70 km of 1 200 mm diameter steel pipeline from the Flag Boshielo dam to a terminal reservoir at Pruissen (near Mokopane) and appurtenant works. Along the route, three pump stations will be required: the first at the Flag Boshielo dam, the second in the vicinity of Immerpan (on the farm Malgas), and the third near Pruissen (on the farm Doornfontein). Two balancing dams will have to be constructed, one at the second and one at the third pump station (Malgas and Doornfontein). From Pruissen Terminal Reservoir a 24.5 km gravity steel pipeline of 1 100 mm to 1 400 mm diameter will be constructed to Mokopane and Sekuruwe.

The purpose of issuing this document is:

- To afford applicants who are individual contractors or joint ventures of more than one company with a CIDB grading of 9 CE and B-BBEE level of 4 or above, and who are experienced in major pipelines, civil structures and mechanical, electrical, instrumentation and appurtenant works of this nature an opportunity to formally express their interest in tendering for Contract No BR2B-PLGN-P002-CONT-0001;
- To allow applicants to timeously identify appropriate resources and sources of expertise which may include joint venture members, specialist suppliers or subcontractors with experience in this type of work; and
- To pre-qualify suitably qualified and experienced individual companies or joint ventures and specialist suppliers and subcontractors as prospective tenderers for the Contract.

The Pre-qualifications documents will be available from 22 February 2023.

In order to obtain the Pre-qualification document, send an e-mail to **OMMPhase2B@zutari.com** requesting a copy of the document.
